NOTES TO NOTICE

1. The Statement as required under Section 102 of the Companies Act, 2013 (“the Act”) is annexed to the Notice.
2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING (AGM) IS ENTITLED TO APPOINT A PROXY OR PROXIES TO ATTEND AND VOTE ON A POLL ON HIS/HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY.** The instrument of Proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not less than 48 hours before the commencement of the meeting. A Proxy form MGT-11 is sent herewith.
3. A person can act as a proxy on behalf of Members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten per cent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or a Member.
4. Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to the Company a certified copy of the Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
5. The relevant details, pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), and Clause 1.2.5 of the SS-2, is annexed to the Notice in respect of Directors seeking re-appointment at this Annual General Meeting (“AGM”) is annexed.
6. The Register of Members and Share Transfer Books of the company will remain closed from Thursday, 18th September, 2025 to Wednesday, 24th September, 2025.
7. The shareholders holding shares in physical mode are requested to intimate the changes, if any, in their registered address, Bank mandates, i.e., name of bank, branch address, and account number, MICR/IFS Code to the Company and/or R & T Agent, or their respective Depository Participants (DPs), if the shares are held in demat mode.
8. In compliance with the provisions of Section 108 of the Act and the Rules framed there under, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by NSDL, on all the resolutions set forth in this Notice. The e-voting period commences on Sunday, 21st September, 2025 and ends on Tuesday, 23rd September, 2025. During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, Wednesday, 17th September, 2025 may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Members may alternatively cast their votes using the Ballot Form which is attached with this Notice. Members may fill in the Ballot Form attached with the Notice (a copy of the same is also part of the soft copy of the Notice) and submit the

same in a sealed envelope to the Scrutinizer, at Mrs. Priti Jajodia, Jajodia & Associates, Practicing Company Secretary (COP-19900), Unsigned, incomplete or incorrectly ticked forms are liable to be rejected and the decision of the Scrutinizer on the validity of the forms will be final.

9. In the event member casts his votes through both the processes i.e., E-voting and Ballot Form, the votes in the electronic system would be considered and the Ballot Form would be ignored.
10. The Scrutinizer shall after the conclusion of voting at the AGM, first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than three days of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
11. Members who still hold share certificate(s) in physical form are advised to dematerialize their shareholding to avail the benefits of dematerialization, which includes easy liquidity since trading is permitted in dematerialized form only, electronic transfer, savings in stamp duty and elimination of any possibility of loss of documents. Further, with effect from 01st April 2019, requests for transfer of securities are not permitted unless the securities are held in a dematerialized form with a depository except in case of transmission or transposition of securities as per SEBI Listing Regulations. Members who still hold share certificate(s) in physical form are advised to dematerialize their shareholding at the earliest.
12. Members are requested to advise immediately about any change of address:
 - a. To their Depository Participants (DPs) in respect of their electronic share accounts.
 - b. To the Company's Registrar & Share Transfer Agents M/s. Big Share Services Private Limited in respect of their physical share folios if, any.
13. The Company has appointed Ms. Priti Jajodia, Jajodia and Associates, Practicing Company Secretary (COP-19900), as the scrutinizer for scrutinizing the entire voting process during the AGM, to ensure that the process is carried out in a fair and transparent manner.
14. Voting rights shall be reckoned on the paid-up value of the shares registered in the name of the Member / Beneficial Owner list maintained by the depositories as on the cut-off date i.e., Wednesday, 17th September, 2025 (Cut-off Date).
15. A person who is not a Member as on Wednesday, 17th September, 2025 should treat this Notice for information purposes only.
16. In case of joint holders, only such joint holder who is higher in the order of names will be entitled to vote during the AGM.

17. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.

MANAGEMENT DISCUSSION AND ANALYSIS

SPV GLOBAL TRADING LIMITED:

SPV Global Trading Limited currently has a spectrum of non-ferrous metals which serves the copper alloy manufacturing industry, which in turn serves many industries such as Automobiles, Electricals, Electronics, horological, coinage, etc.

The Company has one subsidiary company named Rashtriya Metal Industries Ltd, which is engaged into the business of metal manufacturing.

The details with respect to financial performance has been included in detail in financial statements of the Company and in the Boards’ Report.

I. ECONOMIC & INDUSTRY OVERVIEW:

Copper is very essential metal for economic activity and even more so to modern society. Infrastructure development in major countries such as China and India and the global trend towards cleaner energy will continue to support growth in copper demand. Copper is one of the most recycled of all the metals. Virtually all products made from copper can be recycled and recycled copper loses none of its physical and chemical properties.

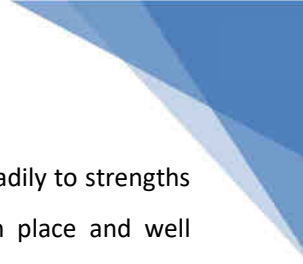

II. OPPORTUNITIES AND THREATS:

Opportunity

- Growing copper demand within country
- Buoyancy in world copper prices
- Good Opportunity due to upcoming market of electrical vehicles

Threat

- Increasing cost of inputs
- Attrition of skilled manpower
- Risk in existing non-profitable business
- Cheaper substitute for copper

However, your Company is aware of the above threats and has worked steadily to strengthen its business operations by putting appropriate policies and measures in place and well positioned to counter any adverse threat successfully.

III. RISKS AND CONCERNS:

The Company has laid down risk management framework keeping the Company's objectives, growth strategy and process complexities arising out of its business operations. Risk management in organization is a continuous process of identifying, assessing and managing all the opportunities, threats and risks faced by the company to achieve its goals.

The Board of Directors of your Company have framed a committee which is known as Risk Management Committee. The Board of Directors with the Aid of such Risk Management committee review and monitor Business risks for your Company. Moreover, the management also periodically reviews the policies and procedures and formulates plans for control of identified risks and improvements in the systems.

IV. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has internal control systems and procedures commensurate with its size and nature of business. The Company has in place delegation of authority, policies and manuals approved by the Board. The system also meticulously records all the transactions details and ensures regulatory compliance.

V. SEGMENT WISE OR PRODUCT WISE PERFORMANCE:

The Company is engaged solely in trading activity segment and all activities of the Company revolve around this business.

VI. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT INCLUDING NUMBER OF PEOPLE EMPLOYED

Manpower

As on 31.3.2025, the manpower of the Company was 2 (Two).

SECRETARIAL AUDIT REPORT

For the financial year ended 31st March, 2025

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

SPV Global Trading Limited

CIN: L27100MH1985PLC035268

28/30, Anant Wadi Bhuleshwar,

Mumbai-400002

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SPV Global Trading Limited**, (hereinafter called “the Company”). The Secretarial Audit was conducted in accordance with the applicable Auditing Standards issued by the Institute of Company Secretaries of India that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company, and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to me and the representations made by the Management, I hereby report that in my opinion, the Company has during the audit period that is to say, from April 01, 2024 to March 31, 2025,(hereinafter called the ‘Audit Period’) generally complied with the statutory provisions listed hereunder and also that the Company has adequate Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the secretarial compliance based on the Books, Papers, Minute Books, Forms and Returns filed and other records maintained by the Company and produced before us for the financial year ended on 31st March, 2025, according to the applicable provisions of following laws:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (“SEBI Act”), as applicable;
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

 - e. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **(Not Applicable to the Company during the Audit Period)**
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not Applicable to the Company during the Audit Period);**
 - i. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018.

I further report that:

I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards, issued by the Institute of Company Secretaries of India.
- ii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments made thereunder ('Listing Regulations')

During the Audit Period the Company complied with the provisions of the Act, Rules, Regulations, Guidelines etc.

I Further report that, having regard to the compliance system prevailing in the Company and on the examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with The Mines Act, 1952, The Mines and Minerals (Regulation and Development) Act, 1957 and all the Rules Regulations, Guidelines and Circulars etc. which is specifically applicable to the Company.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions made at Board Meetings and Committee Meetings have unanimous consent as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that:

There are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that:

During the audit period the Company has done the following transactions in due compliance with the applicable provisions of the Act-

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SPV GLOBAL TRADING LIMITED

Report on the audit of the standalone financial statements

Opinion

We have audited the accompanying standalone financial statements of SPV Global Trading Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and notes to standalone financial statements and a summary of the material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
<p>The Company's sale of traded goods (copper scrap) is majorly to its subsidiary.</p> <p>We identified the said related party transactions and its disclosure as set out in respective notes to the financial statements as a key audit matter due to the significance of transactions with the related party.</p>	<p>Our audit procedures included the following:</p> <p>We have assessed the systems and processes laid down by the Company to appropriately identify, account and disclose all material related party transactions in accordance with applicable laws and financial reporting framework. We have designed and performed audit procedures in accordance with the guidelines laid down by ICAI in the Standard on Auditing (SA 550) to identify, assess and respond to the risks of material misstatement arising from the entity's failure to appropriately account for or disclose material related party transactions which includes obtaining necessary approvals at appropriate stages of such transactions as mandated by applicable laws and regulations. We have also reviewed the Secretarial Audit report during the course of evaluating the internal control systems in ensuring compliance with applicable laws, rules, regulations and guidelines.</p>

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises Board's Report, Report on Corporate governance and Business Responsibility report but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

Corresponding figures for the year ended 31st March, 2024 have been audited by another auditor who expressed an unmodified opinion dated 29th May, 2024 on the standalone financial statements of the Company for the year ended 31st March, 2024.

Our opinion on the standalone financial statements is not modified in respect of the above matter.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of SPV Global Trading Limited (“the Company”) as of 31st March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under section 143(10) of Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of

internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the criteria for internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements for the year ended 30th June, 2022

Note 1

COMPANY INFORMATION

The Company was incorporated as a public limited company on 05th February, 1985 in the name of Tarrif Cine & Finance Ltd. for the purpose of trading in shares and securities and was accordingly registered with the RBI as NBFC. At present, the Company is engaged in the business of trading in copper scrap and accordingly the RBI cancelled its NBFC registration w.e.f. 02.08.2018. The Company has changed its name to SPV Global Trading Ltd and has obtained certificate to that effect from the ROC dt. 26.04.2019. The equity shares of the Company are listed at the Bombay Stock Exchange (BSE).

BASIS OF PREPARATION, MEASUREMENT AND MATERIAL ACCOUNTING POLICIES

(A) Basis of preparation of Financial Statements

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by the Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

(B) KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of the financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle of twelve months and other criteria set out in Schedule III to the Companies Act, 2013.

(C) Current / Non-current Classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

the asset/liability is expected to be realized/settled in the Company's normal operating cycle;

the asset is intended for sale or consumption;

the asset/liability is held primarily for the purpose of trading;

the asset/liability is expected to be realized/settled within twelve months after the reporting period;

the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;

in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

(D) **MATERIAL ACCOUNTING POLICIES**

i **Intangible Assets :**

Measurement at recognition:

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.

Amortization:

Intangible assets are amortized on a Straight Line basis over their respective individual estimated useful lives not exceeding 10 years as prescribed in Schedule II to the Companies Act, 2013. The estimated useful life of intangible assets is mentioned below:

	Years
Accounting software	6

Amortization methods and useful lives are reviewed periodically including at each financial year end. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Derecognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

ii **Impairment:**

Assets that are subject to depreciation and amortization and assets representing investments in subsidiary are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expense. Impairment losses, on assets are reversed in the Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

iii Inventories:

Inventories is valued at lower of cost and net realisable value. Cost include purchase price as well as incidental expenses. Cost formula used is either 'Specific Identification' or 'FIFO'. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

iv Cash and Cash Equivalents:

Cash and cash equivalents comprise cash and cheques in hand, bank balances and demand deposits with bank where original maturity is three months or less from the date of acquisition and other short-term highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

v Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity

Financial Assets

Initial recognition and measurement:

The Company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are added to the fair value measured on initial recognition of financial asset. Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input). In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

However, trade receivables that do not contain a significant financing component are measured at the transaction price.

Subsequent measurement:

Financial assets are subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both:

- the entity's business model for managing the financial assets, and
- the contractual cash flow characteristics of the financial assets.

(a) Measured at amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any, is recognised in the Statement of Profit and Loss. This category applies to cash and bank balances, trade receivables, loans and other financial assets of the Company. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

(b) Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any, are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

Further, the Company, through an irrevocable election at initial recognition, has measured investments in equity instruments other than investment in subsidiary at FVTOCI. The Company has made such election on an instrument by instrument basis. These equity instruments are neither held for trading nor are contingent consideration recognized under a business combination. Pursuant to such irrevocable election, subsequent changes in the fair value of such equity instruments are recognized in OCI. However, the Company recognizes dividend income from such instruments in the Statement of Profit and Loss. On derecognition of such financial assets, cumulative gain or loss previously recognized in OCI is not reclassified from the equity to Statement of Profit and Loss. However, the Company may transfer such cumulative gain or loss into retained earnings within equity.

(c) Measured at fair value through profit or loss: A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI. This is a residual category applied to all other investments of the Company excluding investments in subsidiary. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition.

For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12-month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

Financial Liabilities:

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value. Transaction costs that are directly attributable to the financial liabilities (other than financial liability at fair value through profit or loss) are deducted from the fair value measured on initial recognition of financial liability.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

vi FAIR VALUE MEASUREMENT:

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received on sell of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

vii Investment in Subsidiary:

The Company has elected to recognize its investments in subsidiary at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'. The details of such investments are given in Note 4. Impairment policy applicable on such investments is explained in Note 1(II)(D)(ii) above.

viii Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed. When the Company expects some or all of a provision to be reimbursed, reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

ix Revenue Recognition:

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, GST, etc.

Revenue from rendering of services is recognised when the performance obligation to render the services are completed.

Dividend income on investments is

recognised when the right to receive dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest. For all financial instruments measured at amortised cost, interest income is recorded using the Effective Interest Rate method to the net carrying amount of the financial assets.

SPV GLOBAL TRADING LIMITED
CIN: L27100MH1985PLC035268

x Expenditure:

Expenses are accounted on accrual basis.

xi Borrowing Costs:

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. In view of nature of activities carried on by the Company, wherein no qualifying assets are being constructed/ developed, the borrowing costs are recognised as an expense in the year in which they are incurred.

xii Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability.

xiii Income Taxes:

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

SPV GLOBAL TRADING LIMITED
CIN: L27100MH1985PLC035268

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

xiv Earnings Per Share:

Basic EPS is arrived at based on net profit after tax available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

xv Cash flows Statement

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xvi Recent Pronouncements

On March 24, 2021, the Ministry of Corporate Affairs (“MCA”) through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division III which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules, 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head ‘financial liabilities’, duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under ‘additional regulatory requirement’ such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head “additional information” in the notes forming part of the standalone financials statements. The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

B. Nature and purpose of reserves

(a) General Reserve:

Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of profit for the period at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of the Companies Act, 2013.

(b) Special Reserve:

Statutory Reserve represents the Reserve Fund created under Section 45 IC of the Reserve Bank of India Act, 1934.

(c) Retained Earnings:

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.

(d) Equity Instruments through Other Comprehensive Income:

This represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income, under an irrevocable option.

(20) FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities are trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, investments and cash and cash equivalents that arise directly from its operations.

The Company's activities expose it to market risk, liquidity risk and credit risk.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, commodity prices, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments, including investments and deposits, foreign currency receivables, payables and borrowings.

The Company's overall risk management focuses on the unpredictability of financial market and seeks to minimise potential adverse effects on the financial performance of the Company.

Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in prevailing market interest rates. .

Equity Price Risk:

The Company is exposed to equity price risks arising from equity investments. Equity investments are held for strategic rather than trading purposes. The Company does not actively trade in these investments.

Credit Risk:

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investment in mutual funds, derivative financial instruments, other balances with banks, loans and other receivables. The Company has adopted a policy of only dealing with counterparties that have sufficiently high credit rating. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties.

Credit risk arising from investment in mutual funds, derivative financial instruments and other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by the credit rating agencies.

Trade Receivables

At present, the Company's total sales is to its subsidiary having good credit rating. No credit risk exist on the balance sheet date.

Liquidity Risk:

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's finance team is responsible for managing liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

Regulatory Risk:

The Company is exposed to risk attached to various statutes, laws and regulations including the Competition Act. The Company is mitigating these risks through regular review of legal compliances carried out through internal scrutiny as well as external compliance audits.

Capital Risk Management:

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management policy is to ensure that all times, it remains going concern and safeguard interest of its shareholders and stakeholders.

Commodity Price Risk:

The Company is exposed to the risk of price fluctuations of trading goods. The Company proactively manages these risks through forward booking, inventory management and proactive vendor development practices. The Company's reputation for quality, product differentiation and service, with sales majorly to its subsidiary mitigates the impact of price risk on the goods traded.

(21) FINANCIAL INSTRUMENTS

ACCOUNTING CLASSIFICATIONS AND FAIR VALUES

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

The categories used are as follows:

- Level 1: Quoted prices for identical instruments in an active market;
- Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data.

The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

1	Current Ratio	Current Assets	Current Liabilities	25.79	3.11	728.97%	The ratio has increased because the Current Liabilities have greatly decreased in the current Financial year.
2	Debt-Equity Ratio	Total Debt	Shareholder's Equity	-	-	-	As there is no debt the ratio is not applicable in current financial year.
3	Debt Service Coverage Ratio	Earning for Debt Service= Net Profit after Tax + Non cash operating expenses	Debt Service= Interest & Lease Payments +Principal Repayments	-	-	-	As there is no debt in current and previous financial year,the ratio is not applicable in current year
4	Return on Equity Ratio	Net Profit after Tax - Preference Dividend	Average Shareholder's Equity	-0.50%	11.58%	-104.33%	As there is loss in the current Financial year, hence ratio decreased.
5	Inventory turnover ratio	Cost of Goods Sold	Average Inventory	-	-	-	As there is no inventory in current and previous financial year, the ratio is not applicable.
6	Trade Receivables turnover ratio	Net Credit Sales= Gross Credit Sales- Sales Return	Average Trade Receivables	-	-	-	As there is no Trade Receivable in current and previous financial year, the ratio is not applicable.
7	Trade payables turnover ratio	Net Credit Purchases= Gross Credit Purchases- Purchase Return	Average Trade Payables	-	-	-	As there is no trade payable in current and previous financial year, the ratio is not applicable.
8	Net capital turnover ratio	Net Sales= Total sales - sales return	Working Capital = Current assets - Current liabilities	21.43	39.46	-45.69%	Sales has decreased in the current Financial year so the ratio has decreased.
9	Net profit ratio	Net Profit	Net Sales = Total sales - sales return	-0.09%	1.03%	-108.86%	Sales is decreased so profit has also decreased
10	Return on Capital employed	Earnings before interest and taxes	Capital Employed = tangible net worth + total debt + deferred tax liability	2.19%	14.67%	-85.04%	The ratio has decreased significantly because EBIT in the current Financial year has reduced.
11	Return on investment	Interest(Finance Income)	Investment	0.20%	0.15%	34.78%	The difference is mainly due to higher dividend income received in the current Financial year.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF SPV GLOBAL TRADING LIMITED

Report on the audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of SPV Global Trading Limited (“the Holding Company”) and its subsidiaries (collectively referred to as “the Group”), which comprise the consolidated Balance Sheet as at 31st March, 2025, the consolidated Statement of Profit and Loss including other comprehensive income, and the consolidated Statement of Cash Flows and the consolidated statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor on separate financial statements and on the other financial information of the subsidiaries referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (‘the Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31st March, 2025, the consolidated profit including other comprehensive income, and their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Other Information

The Holding Company's Board of Directors is responsible for preparation and presentation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements, consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appear to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and

other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management of the companies included in Group are responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with

reference to consolidated financial statements in place and the operating effectiveness of such controls.

- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- vi. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

We did not audit the financial statements/ financial information of the subsidiaries, whose financial statements / financial information reflect total assets of Rs. 55,779.86 Lakhs as at 31st March, 2025 and total revenues of Rs. 91,192.00 Lakhs, total net profit after tax of Rs 2,656.02 Lakhs and total comprehensive

income of Rs. 2,613.49 Lakhs and Net Cash Inflow of Rs. 87.59 Lakhs for the year ended on that date, as considered in the Consolidated Financial Statements.

These financial statements and other financial information have been audited by other auditors, whose reports have been furnished to us by the Management. Our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, are based solely on the report of the other auditors.

Further, Corresponding figures for the year ended 31st March, 2024 have been audited by another auditor who expressed an unmodified opinion dated 29th May, 2024 on the consolidated financial statements of the Company for the year ended 31st March, 2024.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matters, with respect to our reliance on the work done and the report of the other auditors.

Report on Other Legal and Regulatory Requirements

- A. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
- B. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'Other Matter' paragraph we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph B(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of SPV Global Trading Limited (hereinafter referred to as “the Holding Company”) as of and for the year ended 31st March, 2025, in conjunction with our audit of the consolidated financial statements of the Holding Company and its Subsidiaries which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Subsidiaries which are a company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding company’s internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and Guidance note require that we comply with ethical requirements and plan and perform audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to these consolidated financial statements included obtaining an understanding of internal financial controls over financial reporting

with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and audit evidence obtained by the other auditor in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls over financial reporting with reference to these consolidated financial statements

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide a reasonable assurance regarding the reliability of financial reporting and preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over financial reporting with reference to these consolidated financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its Subsidiaries, in all material respects, maintained adequate internal financial controls over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at 31st March, 2025, based on the criteria for internal control over financial reporting criteria established by the Holding Company and its Subsidiaries considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal control over financial reporting with reference to these consolidated financial statements of the Holding Company, in so far as it relates to its Subsidiaries, is based on the corresponding report of the auditors of such companies.

Notes to the consolidated financial statements for the year ended 31st March, 2024

Note 1

I GROUP INFORMATION

The consolidated financial statements comprise financial statements of SPV Global Trading Limited ("the Company") and its subsidiaries (hereinafter referred as "the Group").

GROUP STRUCTURE

Name of the Company	Country of Incorporation	% Interest in the Subsidiary (31st March, 2025)	% Interest in the Subsidiary (31st March, 2024)
Rashtriya Metal Industries Ltd.(Consolidated)	India	54.90%	50.51%

(A) Basis of Accounting

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under the Companies (Indian Accounting standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendments Rules 2016 prescribed under section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014.

The consolidated financial statements of the Group are prepared and presented on accrual basis and under the historical cost convention, except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- Certain financial assets and liabilities are measured at Fair value
- Defined Benefit and other Long term Employee Benefits

(B) Basis of Preparation of Consolidated Financial Statements

The consolidated financial statements comprise the financial statements of the Company and its subsidiary as at 31st March, 2025.

Subsidiary

Subsidiary is the entity over which the company has control. Control is achieved when the company is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the company controls an investee if and only if the company has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns.

The group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of controls. Consolidation of a subsidiary begins when the group obtains control over the subsidiary and ceases when the group loses control of the subsidiary.

(C) Consolidation procedure

The consolidated financial statements have been prepared on the following basis:

- (a) The financial statements of the Company and its subsidiary are combined on a line by line basis by adding together like items
- (b) Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory, trade receivables are eliminated in full.
- (c) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (d) Non-controlling Interest's share of profit / loss of consolidated subsidiary for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- (e) Non-controlling Interest's share of net assets of consolidated subsidiary is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.

(D) Other Material Accounting Policies

These are set out under "Material Accounting Policies Information" as given in the Company's standalone financial

(37) FINANCIAL RISK MANAGEMENT

The Group's principal financial liabilities are borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include trade and other receivables, investments and cash and cash equivalents that arise directly from its operations. The Group's activities expose it to market risk, liquidity risk and credit risk.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, commodity prices, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments, including investments and deposits, foreign currency receivables, payables and borrowings. The Group's overall risk management focuses on the unpredictability of financial market and seeks to minimise potential adverse effects on the financial performance of the Group.

Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in prevailing market interest rates.

Equity Price Risk

The Group is exposed to equity price risks arising from equity investments. Equity investments are held for strategic rather than trading purposes. The Group does not actively trade in these investments.

Credit Risk:

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. Credit risk arises primarily from financial assets such as trade receivables, investment in mutual funds, derivative financial instruments, other balances with banks, loans and other receivables. The Group has adopted a policy of only dealing with counterparties that have sufficiently high credit rating. The Group's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties.

Credit risk arising from trade receivables, investment in mutual funds, derivative financial instruments and other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by the credit rating agencies.

Liquidity Risk:

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Group's finance team is responsible for managing liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's liquidity position through rolling forecasts on the basis of expected cash flows.

Regulatory Risk:

The Group is exposed to risk attached to various statutes, laws and regulations including the Competition Act. The Group is mitigating these risks through regular review of legal compliances carried out through internal scrutiny as well as external compliance audits.

Capital Risk Management:

For the purpose of the Group's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Group's capital management policy is to ensure that at all times, it remains going concern and safeguard interest of its shareholders and stakeholders.

Commodity Price Risk:

The Group is exposed to the risk of price fluctuations of raw material and trading goods. The Group proactively manages these risks through forward booking, inventory management and proactive vendor development practices.

MARKET RISK- FOREIGN CURRENCY RISK:

The Group is exposed to foreign exchange risk through its sales in overseas and purchases from overseas suppliers in various foreign currencies. Exports of the Group are significantly lower in comparison to its imports. Foreign currency exchange rate exposure is partly balanced by exports of goods and prudent hedging policy.
